I Marine Infratech completed its ISO 9001-2015 Stage 2 Audit on 10<sup>th</sup> August satisfactorily. IRQS appointed Lead Auditor and Industry Expert Cdr. J. Manjeshwar conducted the Audit and Capt. Vikas Vij (MD) was audited for Top Management, Training and Core Processes Capt. K. S. Bhaty (Business Head) and Ms. Vanya Vij for Customer Related Processes, Mr. Ashish Saraswat (Technical Manager) for Ship Operations and Technical department & Mr. Sanjay Gaonkar for External providers and Marine Crewing services. No Non-conformity was recorded and Auditor ended the audit with remarks: Management system is on the path of maturity to objectives, continual improvement and corrective action through guidance and direction of the Top Management and is well supported. Ms. Vanya Vij gave a vote of thanks to the Auditor.

Management Review Meeting was carried out on 4 Aug 2020 and it was considered pertinent to hold simulated Crisis Management Drill involving Vessel / Office Staff. It was decided that Online Emergency Response System in pandemic times may be carried out on Microsoft Teams rather than assembling in Office Conference room. Procedure Manual was amended to strengthen communications.

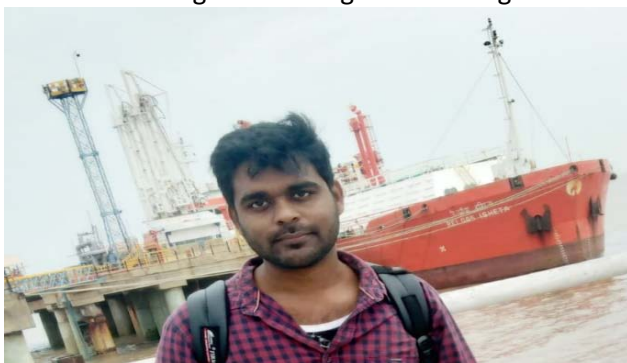

Following crew members signed on and off on board M. V. Shiva, after PEME by DG Approved Doctor and COVID negative test. DG Shipping order 12 of 2020 and Dahej Marine Terminal SOP was complied.
